PROFESSIONAL EXPERIENCE

UX/UI Design Intern, State Street

Feb.-Jul.2016 | Hangzhou, China

- Redesigned 3 main task flows of Apsara, a fund mock-trading platform and delivered comprehensive design specs.
- Created understandable visualizations decoding huge amount of fund data.
- Collaborated with the team on strategic design decisions. Worked with DEV and QA to drive alignments on contentious design topics.

UX Designer, Hangzhou Solar Technology Co. Ltd.

Jan.-May.2015 | Hangzhou, China

- As the only designer in the team, took the responsibility of product strategy and product design of Solar, a mobile APP to create cohesive family networks.
- Followed lean startup approach: user interviews, MVP, and rapid iterations.

Product Designer, Student Portal of Zhejiang University

Sept.2013-May.2015 | Hangzhou, China

- Redesigned Mobile, an all-in-one APP for students and tripled daily active users.
- Mentored 10+ junior designers by delivering workshops in visual design.
- Led website, visual identity, and poster design for more than 30 campus events.

PROJECT & PRODUCTS

True Sight | Nov.2016

Ideated, designed and prototyped Webapp True Sight in 28 hours. Adopted speech I/O technology to realize the online community where designers upload educational models and vision-impaired students could download, 3D-print them and learn.

Actro | Jun.2015

Designed, prototyped and evaluated Actro, an interactive installation to promote physical activity in 5 days. Emphasized on both human-centered design and business process. Won the 1st place out of 6 teams judged by Philips Design.

Feel and See the Globe | Sept.-Dec.2013

Designed an interactive art installation to educate people about global warming through visual and thermal interactions. Published in Proceedings of the 6th Augmented Human International Conference.

AWARDS

Best App from an All Women Team (1/16)

True Sight, AT&T Mobile App Hackathon | 2016
